BOULDER**

**CELEBRATING OUR
NATIONAL MAMMAL**

FINE ART & MULTI-MEDIA EXHIBIT

Join Buffalo Field Campaign and Red Shoes Studio at Museum of Boulder (Tebo Center) for a four month long, multi-media and fine art exhibit celebrating our last wild bison! The exhibit features an educational gallery & wild buffalo curriculum, school field trips, youth art classes, videography, photography, oils, charcoals, and take action opportunities. Our opening weekend (**Sept. 20-22nd**) hosts a rooftop celebration with live jazz music, panel discussions with guest speakers, and screening of Our National Mammal, a 13 minute documentary short produced by local filmmakers Thia Martin (Director) and Justine Sanchez (Associate Producer).

For more information about the exhibit visit :
