Dear Mr. Geist:

Enclosed please find additional records in response to your Freedom of Information Act (FOIA) request dated September 14, 2004. You requested copies of certain records relating to the Royal Teton Ranch land acquisition and grazing allotments on the Gardiner Ranger District. The Gardiner District Ranger, Ken Britton, provided you a partial response on October 18, 2004. The remaining documents were forwarded to me for review and response. I have determined that the enclosed documents are releasable but that the remaining records will require further review and response by the Forest Service Northern Regional Headquarters. In general, these documents were generated by private parties and therefore may not be subject to release under FOIA. I have sent copies of these documents to the respective parties asking if they have concerns over their release. Once I receive their responses, they will be sent along with the responsive records to the Forest Service Regional Headquarters for a determination.

Sincerely,

for REBECCA HEATH
Forest Supervisor
